

How it works

MY PROCESS

1. Review your completed enquiry form.
2. Discuss the details of your illustration project.
3. Finalise the agreement.
4. I will then produce your illustrations, using my 4-step illustration process.
5. I design your book and send to you via PDF and PNG formatting files.
6. Leaving you ready to publish your book.

DISCUSSING THE DETAILS OF YOUR ILLUSTRATION PROJECT

I'll start by asking you a few simple questions so I can do the best possible job on your illustrations. You can also ask as many questions as you like and I will be happy to help you figure out anything you're unsure of!

FINALISING THE AGREEMENT

Once I am all clear on your vision, I will create a proposal for you with all the details of your project and a quote. Once you accept the proposal a 50% deposit will be due and you will receive an invoice with all relevant information and deadlines clearly stated. Now I'm ready to start creating your beautiful illustrations!

I WILL CREATE YOUR ILLUSTRATIONS

I have four steps to create your perfect book illustrations. On each step you can give feedback and I'll revise accordingly.

- The first step is character design. Since your character(s) are one of the most important parts of your story, I devote a whole step to getting them perfect.
- After this, I will create a rough sketch storyboard of your whole book. This is so that I can plan the best layout, make sure it's dynamic and looks good as a whole, and that you like it!
- Then it's onto detailed sketches, where I fully develop the rough storyboard sketches.
- Once you approve the sketches, I will add colour and final details to the illustrations. Again you can give feedback for final tweaks, so you love your illustrations!
- I will then send you your illustrations in the required (recommended) PDF & PNG format, ready for print.

I DESIGN YOUR BOOK SO IT'S READY TO PUBLISH

Your beautiful illustrations are now ready to be inserted into your book and shared with the world! I also offer book design (formatting) and can provide you with your full book with text in an PDF and PNG files ready for you to publish.
